

Louisville

Synopsis of Proposed Changes

On June 21st, the Louisville City Council approved Ordinance 1837 which amends Titles 15, 16, and 17 of the Louisville Municipal Code. The amendments deal with mailed notices of public hearings and certain land use applications. These land use applications include: subdivisions

- planned unit developments;
- general development plans;
- zoning's/rezoning;
- special review uses;
- administrative special review uses;
- zoning appeals;
- variances; and
- administrative variances.
