

Parker

Synopsis of Proposed Changes

Pursuant to Resolution 22-037, the town of Parker will adopt the 2022 update for the Open Space, Trails and Greenways Master Plan as a part of the town of Park Master Plan. The updates include changes to the list of missing trail connections as well as revisions to three maps: 1) Existing and Approved Open Space; 2) Existing and Approved Trails; and 3) Missing Trail Connections. The map revisions are needed to capture new trails, open space and parks and were used to analyze and update the missing trails list.
